The spines of the books are visible, showing a variety of colors including red, orange, yellow, green, blue, and purple. The pages are white and appear slightly aged. The stack is piled high, with the top edges of the pages creating a rhythmic, wavy pattern. The background is softly blurred, emphasizing the texture and color of the books in the foreground.

A vibrant, child-like painting of a rainbow over a green field. The rainbow is the central focus, with thick, expressive brushstrokes in red, orange, yellow, green, blue, and purple. Below the rainbow, a light blue sky is visible. In the foreground, a lush green field is depicted with various shades of green and yellow, suggesting grass and flowers. Three distinct trees or bushes are painted: one with a rounded, light green canopy and a brown trunk on the left; a cluster of pink and purple flowers in the center; and another with a more rounded, brownish-green canopy on the right. The overall style is naive and expressive, characteristic of children's art.

Thin out **kids' school papers.**

Declutter your **best friend's stuff.**

The image shows a collection of black power cables and adapters scattered on a purple background. In the foreground, there are three distinct connectors: a square USB-C connector, a smaller USB-C connector, and a circular DC power jack with a metal pin. Behind them, several power adapters with two-pronged AC plugs are visible, some with their power cords coiled. The overall scene suggests a variety of electronic power accessories.

**Disconnect yourself from  
outdated electronics.**

The space is filled with various items: a blue bicycle in the foreground, several large and small terracotta pots, a yellow toolbox on a shelf, a red jacket, a blue cooler, a black fire extinguisher, and a black speaker.
